

Prerequisite for VAT-free intra-community delivery

Dear customers from the EU region,

The German tax authorities are very strict with the control of documents and types of processing for VAT-free intra-community deliveries. Therefore, please note that the following points must be met to ensure a smooth transaction:

Before picking up:

- Copies of the business registration with the name and address of the company (date of establishment not younger than 1 year) as well as the sales tax identification number (VAT number) in advance by fax or email
- Copy of the manager's or owner's identity card
- Transfer of a deposit or the full purchase price from the buyer's company account
- Indication of the internet address of the buying company

When picked up by a forwarding agent:

- Power of attorney forwarding or forwarding order (in advance by fax or email)
- CMR "red" version
- CMR "white" version (forwarding after receipt of delivery)
- The forwarding agent must come from the recipient country

When picked up by an authorized driver:

- Copies of the faxed business registration with the name and address of the company as well as the sales tax identification number (VAT number), each with the original stamp and signature
- Copy of the manager's or owner's identity card with an original stamp and original signature
- Authorization to collect on **business sheet** stating the vehicle data (manufacturer, type, chassis number) and the name of the person authorized to collect the goods with ID card number with original stamp and original signature.
- Personal identification of the person authorized to collect
- The authorized representative must come from the recipient country. Corresponding evidence can be provided, for example, by means of a passport / ID card / registration certificate etc.
- For the transfer of the vehicle to the country of destination, we make it a requirement that only export signs (red bars) are used.
- When transporting with a car trailer, the towing vehicle and trailer must also have approval from the country of destination.
- After receipt of the entry certificate, retained COC papers will be sent
